

In re Appln. of Tanaka et al.  
Application No. Unassigned  
(U.S. National Phase of PCT/JP2004/015659)

**Amendments to the Specification**

On page 1, please add the following new paragraph immediately after the title:

**CROSS-REFERENCE TO RELATED APPLICATIONS**

This application is a national phase of international patent application no. PCT/JP2004/015659, filed October 15, 2004, which claims the benefit of patent application nos. JP 2003-357144, filed October 17, 2003, and JP 2004-178808, filed June 16, 2004, all of which are herein incorporated by reference in their entirety.

On page 1, please replace the heading at line 11 with the following amended heading:

**BACKGROUND ART OF THE INVENTION**

On page 3, please replace the heading at line 4 with the following amended heading:

**BRIEF SUMMARY DISCLOSURE OF THE INVENTION**

On page 76, please delete the heading at line 32 as follows:

**Industrial Applicability**

On page 77, please replace the paragraph beginning at line 8 with the following new paragraphs:

~~This application is based on a patent application Nos. 2003-357144 and 2004-178808 filed in Japan, the contents of which are hereby incorporated by reference.~~

Preferred embodiments of this invention are described herein, including the best mode known to the inventors for carrying out the invention. It should be understood that the illustrated embodiments are exemplary only, and should not be taken as limiting the scope of the invention. The use of any and all examples, or exemplary language (e.g., "such as")

In re Appln. of Tanaka et al.  
Application No. Unassigned  
(U.S. National Phase of PCT/JP2004/015659)

provided herein, is intended merely to better illuminate the invention and does not pose a limitation on the scope of the invention unless otherwise claimed. No language in the specification should be construed as indicating any non-claimed element as essential to the practice of the invention.

All references, including publications, patent applications, and patents, cited herein are hereby incorporated by reference to the same extent as if each reference were individually and specifically indicated to be incorporated by reference and were set forth in its entirety herein.
